

CKing Sensors LLC Disclaimer and User Agreement

1 Introduction

CKing Sensors LLC (“CKing Sensors,” “we,” “us,” or “our”) provides interactive dashboards and other data delivery methods to provide data and analytics related to sensor technologies, pricing, market trends, and competitive benchmarking (the “Services”). The following disclaimer and user agreement (the “Agreement”) governs your access to and use of the Services. By accessing or using the Services, you (“User,” “you,” or “your”) acknowledge that you have read, understood, and agree to be bound by the terms of this Agreement.

2 Terms of Use

2.1 Nature of Information

The information provided through the Services, including but not limited to sensor average selling price (ASP) estimates, market trends, competitive benchmarking, and technical specifications, is derived from publicly available sources such as datasheets, whitepapers, patents, industry forums, research articles, and press releases. CKing Sensors processes this data using proprietary data mining and analytical methods to generate actionable insights for sensor manufacturers and users, presented in the interactive dashboards, documents, reports, emails, or any other means of communication.

2.2 No Guarantee of Accuracy

While CKing Sensors strives to provide high-quality and reliable data, we do not guarantee the accuracy, completeness, timeliness, or reliability of the information presented in the interactive dashboards, documents, reports, emails, or any other means of communication. Publicly available data may contain errors, inconsistencies, or outdated information, and our analytical processes may introduce additional limitations. The Services are provided on an “as-is” and “as-available” basis without warranties of

any kind, express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or non-infringement.

2.3 Limitation of Liability

CKing Sensors, its affiliates, officers, directors, employees, or agents shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising out of or related to your use of the Services. This includes, but is not limited to, any financial losses, business interruptions, or missed opportunities resulting from decisions made based on the data or analytics provided. You acknowledge that reliance on the information provided through the Services is at your sole risk, and CKing Sensors shall not be held accountable for any outcomes of such decisions.

2.4 User Responsibilities

You are solely responsible for verifying the accuracy and applicability of the data provided through the Services before making any business, financial, or operational decisions. CKing Sensors strongly recommends consulting with qualified professionals, such as financial advisors, engineers, or legal counsel, to ensure that your decisions align with your specific needs and circumstances. The Services are intended for informational purposes only and do not constitute professional advice.

2.5 Restrictions on Use

The data and analytics provided through the Services are for your personal or internal business use only, limited to purposes such as sensor selection, price negotiation, market analysis, or product development. You may not reproduce, distribute, sell, or otherwise share the data or analytics with third parties without prior written consent from CKing Sensors. Unauthorized use may result in termination of access to the Services.

3 Acknowledgment and Acceptance

By accessing or using the Services, you confirm that you:

1. Understand that the data is sourced from public information and processed by CKing Sensors, with no guarantee of accuracy.
2. Agree to assume full responsibility for any decisions made based on the data or analytics provided.
3. Acknowledge that CKing Sensors is not liable for any outcomes, losses, or damages resulting from your use of the Services.
4. Commit to using the Services in accordance with the terms outlined in this Agreement.

To access the Services, you must actively indicate your acceptance of this Agreement, such as by checking a box or providing a digital signature, as required by the platform interface.
